OF INTEREST TO TEACHERS

(Income Tax Deductions)

The courts have ruled that when summer session attendance is required of a teacher as a condition of reemployment, the cost of such attendance is deductible as a "necessary business expense" in reporting income for Federal income tax purposes.

It is suggested that teachers who feel that they have a legitimate basis for a summer session expense deduction consult a representative of the U.S. Bureau of Internal Revenue concerning the matter.

ADVANTAGES OF SUMMER STUDY

YEAR-ROUND STUDY OPPORTUNITIES

The 1959 Summer Session, representing for Ohio University the sixty-ninth consecutive year of summer time study, will consist of two five-week terms. In conjunction with the two regular semesters, this provides the opportunity for year-round study and research. The graduate assistant has the added opportunity of study with waiver of the general registration fee during the summer sessions immediately preceding and following the period of his appointment.

Formal graduation exercises on Saturday, August 22 for all summer graduates will mark the close of the summer session. Special arrangements

are being planned to accommodate those who completed requirements at the close of the first term who return for the exercises and other special events.

The work of the Summer Session is an integral part of the academic year, with every college represented in the summer offerings. All courses are given by members of the regular teaching staff or visiting lecturers of outstanding ability, and are equivalent to those offered in the regular year in method, content, and credit.

The courses offered in the summer term have been chosen from the broader offerings of the regular year to meet the needs of the following:

1. Teachers and school administrators who wish to complete degree requirements or take specific courses to improve their professional standing and keep abreast of developments in the field of education. Offerings which contribute to advancement in certification by the State Department of Education will be available.

2. High school graduates who desire to begin their college careers at once. By entering in the summer and attending each summer, a student may be able to complete the usual four-year college program in three years.

Some will find attendance valuable for removing deficiencies in high school mathematics and completing work in English. Attendance at the pre-college counseling session for students planning to enter in the fall of 1959 may develop reasons why summer session work is advisable for certain students. The two-day pre-college counseling sessions are scheduled for the period July 13 to July 31. See the section "University College" for further information.

3. Veterans who wish to take advantage of Federal aid to carry college work.

4. Entering students, or students enrolled during the regular year, who wish to accelerate their progress toward degrees.

5. Graduate students who find it necessary or desirable to utilize summer periods for study. Such students may complete one third of the degree requirements in the ten-week session. Of particular interest to masters' candidates is the fact that all requirements for the degree may be fulfilled during summer terms.

6. Persons not working for degrees but who want to enroll for specific courses and types of training in the elective studies program.

WORKSHOPS, CONFERENCES, AND SPECIAL EVENTS

During the summer of 1959, Ohio University will offer a number of workshops, conferences and other special events. Some will be for high school pupils. These special events will range from one day to six weeks in duration. They will give participants an opportunity to work intensively at one project or in one area of interest. Most of the workshops designed for student participation will carry the possibility of university credit, but students should ascertain whether the credit earned in the particular workshop in which they enroll is applicable to the program they are carrying. A graduate student needs to be sure that the credit will be approved by his adviser and the dean of the Graduate College.

Most workshops, whether or not they offer the possibility of credit, will have a *basic inclusive fee* that will be assessed each participant. The *registration for credit fee* will be the regular summer term fee and be *in addition to the basic inclusive fee*. See FEES.

Students desiring undergraduate credit or registering as auditors in workshops will register on a simplified set of registration cards without the formality of obtaining an adviser's signature.

A student not previously registered at Ohio University will be admitted to a workshop by the Registrar as "Special Student, No Credits on File."

Students desiring graduate credit must be admitted to the Graduate College prior to registration.

OHIO COUNTY SUPERINTENDENTS WORKSHOP

June 10-12

The Ohio County Superintendents Association will hold its annual workshop devoted to leadership in county and local school district administration, supervision and curriculum activities.

Participation in this workshop is limited to county superintendents and their guests.

SUMMER SPEECH AND HEARING CLINIC FOR CHILDREN

June 15-August 21

This special clinic for children with speech and hearing problems is under the joint sponsorship of the School of Dramatic Art and Speech and the Athens County Chapter of the Society for Crippled Children and Adults. The clinic will provide opportunities for observation and clinical practice for students enrolled in courses in speech and hearing therapy.

OHIO CONSERVATION LABORATORY

June 15-July 17

Ohio University cooperates with the other four state universities in conducting the Ohio Conservation Laboratory at Camp Muskingum in Car-

roll County on Leesville Lake. This is of interest to all persons is education for the wiser use of natural resources. Students attend for five weeks, and receive six hours credit. Those who intend to enroll for the program should register for Ed. 388—Conservation Education Workshop, for six semester hours. The registration fee of \$35 is payable to Ohio University at the time of registration. The five-week charge and \$110 for room and board and a laboratory fee of \$10 are payable at the camp on the first day.

The course may be taken for undergraduate credit; or for graduate credit by students who have been admitted to the Graduate College. The student should ascertain applicability of the credit to his particular program by consulting his adviser or dean. A number of scholarships are usually available from outside sources.

Additional information may be obtained by writing to Dr. Myron T. Sturgeon, Department of Geography and Geology, Ohio University, Athens, Ohio.

THE OHIO VALLEY SUMMER THEATRE

June 15-July 31

The ninth season of the Ohio Valley Summer Theatre, a joint project of the University and the community of Athens, will feature a program of six major plays in the Speech and Theatre Arts Building, which provides the most modern facilities for theatrical productions.

A maximum of twenty students will be accepted for enrollment in Dramatic Art 347 or 447 for from three to eight hours of credit. Students earning six or more hours of credit will be expected to work full time in the theatre. Graduate credit may be earned by students who qualify for admission to the Graduate College prior to registration.

The summer theatre program provides intensive practical experience in any or all phases of theatrical production, such as acting, directing, costuming and make-up, scene design and construction, scene painting and lighting, house management, and publicity under the supervision of competent staff members and in close association with those members of the community and the college faculty who work in the summer theatre.

Regular summer session fees apply—except for those who participate as members of the theatre company for less than a five week session and without credit or for less than four hours of credit. This latter group will pay a workshop fee of \$15 plus \$12 per credit hour. Assistantships covering either or both room and board are available for a limited number of students with considerable experience in theatre.

For more complete information, write to Dr. Claude E. Kantner, Director, School of Dramatic Art and Speech, Ohio University, Athens, Ohio.

CONFERENCE ON SCHOOL ADMINISTRATION

June 18-19

The Conference for School Administrators will be held on Thursday and Friday, June 18 and 19. The Conference will be concerned with various phases of school administration. There will be general meetings, group and panel discussion, and sessions relating to these administration problems.

Lunch, dinner, and housing on June 18, and breakfast and lunch on June 19, will be available. The total cost for the Conference will be \$13.50, which will include meals, housing, and Conference fee.

Directing the Conference will be Mr. Frank Bean and Dr. Samuel Hicks. Requests for additional information should be addressed to Mr. Bean, Center for Educational Services, Ohio University, Athens, Ohio.

HOUSEMOTHERS WORKSHOP

June 14-20 . .

For information concerning the Housemothers Workshop, write to Miss Margaret Deppen, Dean of Women, Ohio University, Athens, Ohio.

OHIO SCHOOL OF BANKING

June 21-26

The Ohio School of Banking is sponsored by the Ohio Bankers Association. Attendance is limited to the officers and employees of member banks of the Association. The subjects to be covered by first-year students include Bank Operations, Investments, Bank Loans, Money and Banking, and Bank Law. The subjects to be covered by second-year students include Bank Operations, Commercial and Consumer Loans, and Public Relations. The fee includes board, room and study materials.

For further information write to College of Commerce, Ohio University, Athens, Ohio.

SPECIAL PAINTING CLASS

June 22-July 17

Special painting classes will be held during this period under the direction of Mr. Rudy Pozzatti. Mr. Pozzatti, a Fulbright scholar and Fellow of the Yale-Norfolk Summer School, is a young painter and printmaker of established reputation. Some of his works are to be seen in the following permanent collections: Butler Art Institute, Youngstown, Ohio; Cleveland Museum of Art; Fogg Art Museum; The Library of Congress; The Museum of Modern Art; United States Embassies Overseas Collection; The Metropolitan Museum of Art; and the Brooklyn Museum, Brooklyn, New York. Mr. Pozzatti is now teaching at Indiana University, Bloomington, Indiana.

Enrollment may be for any two or three week period between the above dates, or for the entire four week session. Academic credit is granted only upon completion of the full four week session.

Those enrolled only for the special painting class pay the basic class fee of \$20.00 for the first two weeks and \$10.00 for each additional week. Room and board may be obtained in University housing at a cost of \$35.00 a week. Those who desire credit will pay the registration for credit fee of \$12.00 a semester hour, in addition to the basic class fee.

Students who are enrolled in regular summer session classes who register for the Special Painting Class as a part of their program, pay the regular summer registration fee.

For application blanks and additional information, write to Dr. Frederick D. Leach, Director, School of Painting and Allied Arts, Ohio University, Athens, Ohio.

OHIO WORKSHOP ON ECONOMIC EDUCATION

June 22-July 10

The Workshop on Economic Education is sponsored by the College of Education and the Department of Economics of the College of Commerce, in cooperation with the Ohio Council on Economic Education and the Joint Council on Economic Education. The program will be devoted to a study of the nature of the American system of free enterprise and major social-economic problems involved in it, including such areas as our economic resources, the national economy, problems of control, underlying economic problems, and problems of economic education in our schools. Lectures, workshop activities, field trips, and recreation will characterize the program.

The Workshop will be open by invitation to approximately 85 representatives of city and exempted village and county school systems in Ohio, including superintendents, supervisors, principals, and teachers.

Students attending the regular summer session will be welcome to attend the lectures, panel discussions, and exhibits of materials which will be held during the workshop.

Students desiring academic credit will register for Ed. 358, and pay the registration fee of \$36.

Requests for additional information should be addressed to Mr. Robert Forbes, Center for Educational Services, College of Education, Ohio University, Athens, Ohio.

OHIO BOOKMEN'S CLUB EXHIBIT

Dates to be announced

Representatives of the Ohio Bookmen's Club will be on campus to display textbooks, illustrative materials, and other types of supplies and materials. The exhibit will be held in the University Center.

INSTITUTE FOR HIGH SCHOOL SCIENCE TEACHERS

July 6-August 15

National Science Foundation has awarded a grant to Ohio University for an Institute for High School Science Teachers to be held July 6 to August 15. Fifty-four teachers of biology, chemistry and physics in junior and senior high schools will be awarded stipends up to \$75 per week, plus \$15 per week for each dependent, and will be exempt from registration fees. The major objective of the Institute is to bring to science teachers a better understanding of old and new concepts in the subjects which they teach.

Participants may enroll for credit. Graduate credit will be given to those who can qualify. Necessary application forms and complete information may be obtained upon request from L. P. Eblin, Director, Science Teachers Institute, Ohio University, Athens, Ohio. Completed applications must be returned to the director by February 16.

CONFERENCE OF MAYORS

July 8, 9

For information concerning the Conference of Mayors, write to Dr. Ernest Collins, Department of Government, Ohio University, Athens, Ohio.

EXECUTIVE DEVELOPMENT PROGRAM

July 12-August 8

The Program is designed for business executives between the ages of thirty-five and fifty who are nominated by their sponsoring companies.

The Program is conducted almost entirely by the case method with some outside speakers from business. Subjects include Human Relations, Distribution, Financial Control, Production, Business Policy, and Labor and Collective Bargaining. Elective work in Public Speaking and Rapid Reading is offered.

The group is limited to thirty men with not more than two from one company.

The fee of \$700 includes board, room, and study materials.

For further information write to College of Commerce, Ohio University, Athens, Ohio.

INSTITUTE FOR COLLEGE CHEMISTRY TEACHERS

July 13-August 22

National Science Foundation has awarded a grant to Ohio University for an Institute for College Teachers of Freshman Chemistry to be held July 13 to August 22. Forty-five teachers of the first-year college chemistry course will be awarded stipends up to \$75 per week, plus \$15 per week for each dependent, and will be exempt from registration fees. Preference will be given to applicants from small colleges in which all the chemistry courses are taught by one or two persons. The major objective of the Institute is to bring to such teachers a better understanding of old and new concepts in organic, inorganic, and physical chemistry.

Participants may enroll either for credit or as auditors. Graduate credit is available. Necessary application forms and complete information may be obtained upon request from Lawrence P. Eblin, Director, College Chemistry Institute, Ohio University, Athens, Ohio. Completed applications must be returned to the director by February 16.

SPECIAL EDUCATION WORKSHOP

July 20-August 7

For information concerning the Special Education Workshop, write to Prof. Clara DeLand, Ohio University, Athens, Ohio.

CONFERENCE ON WORLD AFFAIRS

July 27-28

The Conference will consider some pertinent aspect of the problem of American policy toward recent political developments in areas of North Africa, from Morocco to Egypt. The program will include a convocation address by a speaker of national reputation followed by informal conferences. Because of the uncertainty of forthcoming developments in the international field, the topic is subject to re-examination in the light of actual events. More precise information may be obtained prior to the opening of the Summer Session by writing to Dr. John F. Cady, Chairman, History Department, Ohio University, Athens, Ohio.

ELEMENTARY TEACHERS MUSIC WORKSHOP

August 4-8

The Workshop in Elementary School Music and Junior High School Music is for classroom teachers, music teachers, and supervisors of music. The staff, including nationally known specialists, is assisted by the Ohio University music education faculty.

One hour of credit may be secured by those who register for credit. If graduate credit is desired, the application should be made to the Graduate College, before registration day. The workshop fee of \$9.00, the credit fee of \$12.00, plus the board and room fee of \$27.00 brings the total to \$48. Room will be available beginning the first day of the workshop, and meals will be served beginning at noon of the first day. Room for any other time will be \$2.00 a night.

For further information, write Miss Mary D. Blayney, School of Music, Ohio University, Athens, Ohio.

INSTITUTE FOR CREDIT UNION PERSONNEL

August 9-15

For information concerning the Institute for Credit Union Personnel, Write to Dr. Harry Crewson, Ohio University, Athens, Ohio.

CONFERENCE ON SCHOOL PLANT PLANNING AND OPERATION

August 13-14

This Conference is especially directed to school administrators, members of boards of education, architects, and lay persons concerned with the various phases of school plant planning and operation. Practical problems pertaining to school building financing, layouts, new materials, construction practices, and the maintenance and operation of new and existing buildings will be discussed with educational consultants, architects, and building contractors.

Requests for additional information should be addressed to Dr. William W. Chase, Center for Educational Services, Ohio University, Athens, Ohio.

WORKSHOPS FOR HIGH SCHOOL STUDENTS

MUSIC CLINIC WORKSHOP

June 14-27

This Workshop in band, chorus and orchestra is for boys and girls between the ages of 14 and 19 interested in music, and for the professional stimulation and growth of prospective and in-service music teachers.

A staff of outstanding guest conductors has been secured to direct the three musical units.

For the music teacher there will be a variety of musical experiences including the opportunity to follow the development of three well-balanced bands, an orchestra and chorus, and daily clinic and workshop sessions where all phases of music teaching and everyday problems of music instruction will be discussed by nationally recognized music education authorities.

A recreation and health program for the enjoyment and welfare of the members has been developed. Such activities as sports, dances, mixers, plays and lectures on the campus; swimming, hiking, and sightseeing tours in "Scenic Southeastern Ohio" will be conducted.

The all-inclusive fee for the two weeks is \$55. This amount includes a workshop fee of \$20 and a charge of \$35 for room and board in university residence halls. In-service music directors may apply for assistantships which will cover the all-inclusive fee of \$55.

Two hours of university credit may be secured by teachers who register for credit in either the band, orchestra or chorus clinic. The registration fee is \$24, unless the registration is part of a regular summer load for which the regular fee has been paid. No credit will be allowed to high school students. To obtain graduate credit for the Music Clinic-Workshop a person must be admitted to the Graduate College prior to the opening of the Clinic.

Students and directors are urged to make application early. Address inquiries to Dr. Gilbert A. Stephenson, School of Music, Ohio University, Athens, Ohio.

HIGH SCHOOL SCIENCE WORKSHOP

June 14-27

The Workshop will be open to approximately one hundred and twenty high school students who will be juniors or seniors in the fall of 1959. Ohio University professors will give lectures and demonstrations in the following fields: Astronomy, Botany, Chemistry, Engineering, Geology, Mathematics, Meteorology, Physics, Zoology, and Photography. Field trips and carefully planned laboratory periods will be an integral part of the program.

Designed to stimulate interest in the various branches of science, this program is planned to provide a richer understanding of the sciences and to present some of the methods, problems and resources of this area of human endeavor. The Science Workshop seeks to enroll students who have shown superior scholastic aptitude for science, in the belief that the program offered will help to develop the interests of future scientists.

If a grant is received for the operation of this workshop, the costs will be paid for participants who are awarded scholarships to attend. In addition, if the grant is secured, the workshop will operate for three weeks instead

of two weeks as stated above, adding a week at the end.

The workshop fee of \$65.00 provides for registration, room and board, health service, recreation, and field trip expenses.

For further information write to Dr. William G. Gambill, Botany Department, Ohio University, Athens, Ohio.

WORKSHOP IN DEBATE FOR HIGH SCHOOL STUDENTS

June 15-27

This Workshop is sponsored by the School of Dramatic Art and Speech for high school students of sophomore, junior or senior rank. The number of participants in each group will be limited to thirty. Preference will be given to students who have participated in at least one year of interscholastic debate or a related form of forensic activity, such as extemporaneous speaking or oratory.

Emphasis will be placed on an analysis of the high school debate proposition for the 1959-60 season, preparation of a bibliography, study and evaluation of evidence, construction of the brief, and formal debate practice. Opportunities will also be provided for practice in parliamentary law, extemporaneous speaking and group discussion.

The fee is \$18. Board and room will be available in University residence halls at \$35 for the two-week period.

For further information, write to Dr. Claude E. Kantner, Director of the School of Dramatic Art and Speech, Ohio University, Athens, Ohio.

WORKSHOP ON HIGH SCHOOL PUBLICATIONS

June 21-27

The Ohio University School of Journalism will conduct its fourteenth Annual Workshop on High School Publications beginning Sunday afternoon, June 21, and continuing through Saturday noon, June 27.

This workshop is designed for high school students and advisers and it includes seven major areas: (1) editing and advising of regular letterpress newspapers, (2) editing and advising of yearbooks, (3) business phases of newspapers and yearbooks, (4) editing and advising of mimeographed newspapers, (5) editing and advising of offset newspapers, (6) photography, and (7) radio-TV journalism. The million-dollar, air-conditioned Copeland Hall, modern home of the School of Journalism, will be headquarters for the workshop.

Forty or more staff members, including nationally famous authorities in high school journalism, will conduct the workshop. Outstanding commercial firms will provide consultants and specialists in printing, engraving, art, cartooning, advertising, radio-TV, and typing.

The students, under the guidance of experts, will prepare and publish three "model" newspapers during the week: (1) "The Workshopper," a printed newspaper; (2) "The Streamliner," a mimeographed newspaper; (3) "The Offset Gazette," an offset paper.

Included in the daily sessions will be convocations, lectures, forums, field trips, round-tables, lectures, and demonstrations. The facilities of Ohio

University as well as those of independent organizations in Athens will be open to all Workshoppers—typography, engraving and photography laboratories, UP and AP wire services, visual aids, library, specialized classrooms, radio and television equipment.

Participating schools are urged to bring copies of their yearbooks and newspapers for analysis and help by the staff experts. Upon request, the staff of the School of Journalism will provide written analysis of publications issued during the following year.

There will be fun, sports, and recreation for all: picnics, parties, teas, dancing, games, picture shows, swimming parties, contests, and get-togethers. The men's and women's journalism fraternities, Sigma Delta Chi and Theta Sigma Phi, will serve as guides and social assistants for the Workshoppers while on the campus.

Official diplomas will be awarded on "Commencement" night, following a banquet and program, to all students and advisers for faithful participation and attendance during the week.

Each high school student attending the Workshop will be charged a laboratory fee of \$7.50. No lab fee will be charged for advisers.

Room and board will be available for students and advisers in university residence halls. Rooms will be available beginning Sunday afternoon, June 21. Meals will start Sunday evening, June 21 and continue through Saturday noon luncheon, June 27. The board and room charge for the entire six-day period for students and advisers will be \$17.50. Lab fees and board and room charges are payable in advance.

Requests for reservations and information should be sent to Dr. L. J. Hortin, Director of the School of Journalism, Ohio University, Athens, Ohio. Checks for the laboratory fees and board and room are to be made payable to *Treasurer of Ohio University*.

OHIO STUDENT COUNCIL WORKSHOP

August 9-14

This third annual Workshop for members and sponsors will be conducted under the joint sponsorship of Ohio University and the Ohio Association of Student Councils.

The Workshop is being planned for 150 students and sponsors. A staff of more than 10 members will guide the week's activities. The staff will include a nationally known consultant, the executive secretary of the state association, selected council sponsors, and university personnel.

The program will be developed around problems and activities of regular councils. General sessions will emphasize the study and discussion of Council aims and objectives, organization, projects, group leadership, and evaluation techniques. Participants will organize council groups and function through the week as much like a real school as possible.

Each Workshop participant will be charged a nominal fee, payable in advance. This fee will include room and board in university residence halls, health service, recreation, workshop notebook, and general supplies.

With maximum attendance set at 150, students and sponsors are urged to make application by May 9, 1959. Checks for the fee should accompany the application and be made payable to the Treasurer, Ohio University.

Requests for reservation and information should be sent to Dr. E. P. Lynn, College of Education, Ohio University, Athens, Ohio.

THE UNIVERSITY

Ohio University is state-supported. Established by the Legislature on February 18, 1804, it became the first institution of higher learning in the Northwest Territory and beyond. Its more than 7300 men and women students have available to them in a compact campus setting the finest in instructional, residential, cultural, and recreational facilities.

Home of the University in scenic southeastern Ohio is Athens, a city of 10,000. Athens is conveniently accessible by automobile on U.S. Routes 33 and 50 and State Route 56. It is on the main Washington-St. Louis route of the Baltimore and Ohio Railroad. North and south bus service is provided by the Lake Shore System and Zane Transit Lines; east and west service, by the Capital Greyhound Lines.

ACCREDITATION

Ohio University is accredited by the North Central Association of Colleges and Secondary Schools, and by the recognized professional accrediting associations identified with its major academic divisions. It holds membership in the leading state and national educational and professional associations in its major areas of interest.

Detailed information about the undergraduate colleges is available in the General Catalog. Information about graduate study is available in the Graduate College Bulletin. Brief descriptions of the University College and the Graduate College are included here.

THE UNIVERSITY COLLEGE

The University College is especially concerned with helping the freshman make the transition from high school to college, and with making his freshman year provide a good educational foundation for later college work. Since all freshmen enroll in the University College, it is concerned primarily with the problems of first year students. Help is provided for selecting a schedule of classes, developing efficient methods of study, planning an educational program, and choosing a field of specialization.

Each student meets with his assigned faculty counselor. This counselor will help in preparing a schedule of classes, and each student is expected to confer with him at various times during the summer session. These conferences are arranged by the student for helping with such problems as he may wish to discuss.

The educational program of the University College is organized to meet the needs of the individual students. Required courses are determined on the

basis of high school record and the educational objective of the student. The work of the freshman year is planned to provide a basic general education and a preparation for later specialization. Specific courses which are important for professional training are available.

The University College also offers a diploma for the completion of two years of college work. This program includes certain general education courses and a selection of career courses. This meets the needs of those students who may not wish to devote four years to their college work. Attending college during summer session will shorten the time for completing the requirements for a four-year degree or the two-year diploma.

Students who graduate in the lower half of their high school class will be expected to have their special warning status determined at pre-college counseling at some two-day period between July 13 and July 31. Some of these students may find it valuable to attend the second term of Summer School to prepare for their fall program. Other students who are deficient in English and mathematics may wish to complete this work during the second term of Summer School.

THE GRADUATE COLLEGE

The Graduate College confers the degrees of Master of Arts, Master of Education, Master of Science, Master of Fine Arts, and Master of Business Administration through the programs of instruction provided by the colleges of Arts and Sciences, Education, Commerce, Applied Science, Fine Arts, and the Division of Physical Education and Athletics. The degree of Doctor of Philosophy is granted in certain selected areas of study in the University. At present the doctoral program is limited to Chemistry, Education, Speech, and Speech and Hearing Therapy. For those completing the requirements of the Master of Education degree an alternate plan is available which does not include a thesis.

The summer affords many graduate students, particularly teachers and school administrators, an opportunity to engage in advanced study. An increasing number of graduate students consider it desirable to maintain the continuity of their programs of study, and have found the less crowded summer facilities of the laboratories and the library especially conducive for research. In many areas it is possible to complete the requirement for a master's degree in three full summer sessions of ten weeks each. The graduate offerings of the summer session are enhanced by special programs of study, conferences, clinics, workshops, and visiting lecturers.

Scholarships are available to students of exceptionally strong scholastic qualifications. During the regular academic year assistantships with stipends of \$1600 to \$2000 and exemption from the general registration and laboratory fee portions of the comprehensive fee are granted to students in many areas of study. Research and teaching fellowships with stipends ranging from \$2000 to \$2800 are also granted in certain departments, the stipend being based upon responsibilities of the appointment and experience of the appointee.

Information concerning requirements for admission to the Graduate College, programs for degrees, course offerings, scholarships, and assistantships may be found in the Graduate College Bulletin which will be sent upon request to the Dean of the Graduate College, Ohio University, Athens, Ohio.

FACILITIES AND SERVICES

Summer students have full use of all university facilities and may avail themselves of all its services.

LABORATORY SCHOOLS

During the first five-week term of the Summer Session, the University will maintain school laboratory facilities at the University Elementary School. Ed. 274, Advanced Student Teaching Laboratory, will be offered for experienced teachers. Permission for admission must be secured from the Director of Student Teaching.

The summer program in the elementary school is a continuation of the year's work and is not a remedial session. A limited number of the children of students attending the University are welcome to attend the school during the summer term provided application is made in advance and there are available facilities. Children attend school in the morning only, and swimming and other activities are included in the summer curriculum. There is no tuition fee.

UNIVERSITY LIBRARY

The Edwin Watts Chubb Library houses the University's main collection of more than 285,000 volumes, including periodical sets, documents, and pamphlets. The collection is shelved chiefly in the stacks to which all students have direct access. A reference collection of several thousand volumes is in the Reading Room and current issues of more than 1,300 periodicals and newspapers are in an adjoining Periodical Room. The Library is equipped with both microfilm and microcard reading machines. Collections of specialized material are administered by the College of Commerce, College of Education, School of Music, Department of Chemistry, Department of Physics, and the University Health Center.

UNIVERSITY HEALTH CENTER

The Center includes a complete clinic with X-ray, clinical laboratory and minor surgery, a forty-bed infirmary with an isolation wing, and a physiotherapy department. The staff includes four full-time doctors and eleven registered nurses. The Summer Session fee entitles a student to (1) outpatient clinic service, which usually includes medications; (2) hospitalization in the infirmary without charge; (3) consultations with outside specialists at the discretion of the director; and (4) emergency service at all hours.

TESTING AND COUNSELING SERVICE

Complete vocational counseling is available to interested students. Educational and vocational plans are developed on the basis of a survey of the abilities, interests, aptitudes and achievements and also on the basis of the requirements for the occupations and their training programs. A fee of \$5 is charged to cover the costs of tests and scoring. Application for this service may be made by contacting the staff of the Testing and Counseling Service in the Life Science Building.

BUREAU OF APPOINTMENTS

Through the Bureau of Appointments, located in Cutler Hall, students, former students, and graduates of the University may obtain assistance in securing positions in teaching, business, and industry. A registration charge of \$2.00 provides this service while an applicant is enrolled as a student in the University and during his first year out of school. After the one year period, a charge of \$2 a year is made for each year in which assistance is requested.

The Bureau maintains and promotes all possible connections with prospective employers for the benefit of persons seeking initial placement and for those looking toward advancement to better positions.

LIVING ARRANGEMENTS

All undergraduate students (except those 25 years of age and over) carrying four hours or more must board and room in University housing during the summer terms. This rule also applies to married undergraduate students under 25 whose husbands or wives do not reside with them in Athens. Exceptions are made for commuters and legal residents of Athens. Any other exceptions must be directed to the Director of Housing for consideration by the Ways and Means Committee.

APPLICATIONS. Application for rooms in either Scott Quadrangle (women) or Tiffin Hall (men) should be made to the Director of Housing, Ohio University, Athens, Ohio. An application is considered only if accompanied by the retaining fee (\$2.00 for one five-week term or \$4.00 for both terms) payable to the Student General Fund. The retaining fee is not refundable.

BOARD. The cost of board in University halls for each five-week term is \$65.00 and includes 21 meals a week. Board rates are subject to revision, upward or downward, in accordance with prevailing economic conditions.

Residents in all University housing accommodations are required to eat in University dining halls.

Students living in private homes may arrange to eat in University dining halls, but must continue with such arrangements until the end of the five-week term.

ROOMS. Room rates, per student, for each five-week term are \$40.00 for a single room and \$30.00 for a double room. The number of single rooms available is limited. Assignments are made in order of date that applications are received.

Rooms in all residence halls are furnished with dressers, study tables, chairs, and bed linen. The University provides for the laundering of bed linen. Items such as blankets, bed spread, towels, toilet articles, and such accessories as draperies and desk lamp, must be provided by the student.

PAYMENTS. The amount of the advance deposit, together with a deadline for its receipt, will be indicated in the assignment letter. The required advance payment will include the full room rent and the full board charge for the five-week term for which application is made.

CANCELLATIONS AND REFUNDS. Full refund of the advance room and board payment will be made to a student requesting cancellation by the Saturday preceding the opening of the term for which application is made. After that, refunds will be on the basis of 75% of the advance room payment if application is made before the end of the first week. A week is interpreted to mean a calendar week ending on Saturday.

A student cancelling before, or withdrawing during, the term will be refunded the unused portion of the board payment.

PRIVATE HOMES. Rooms in private homes are listed in the Office of the Director of Housing and are available upon request.

HOUSING FOR MARRIED STUDENTS

APARTMENTS: The University has 112 apartment units located on East State Street approximately two miles from The Green. Each of these apartments has a living room, bedroom, kitchen, and bathroom, and an abundance of closet space. Each apartment is provided with a gas cooking range and a gas heating unit. Tenants must arrange to supply the additional needed articles. The rent for each apartment is \$42.00 a month, payable in advance. The rental charge includes all utilities and garbage disposal.

In addition, there are seventeen two-room prefabricated units which accommodate a like number of families. The facilities are equipped with gas cooking range, oil heating unit, kitchen table and chairs, and dresser. The tenant must provide his own studio couch or bed and refrigerator. The rent for each unit is \$30.00 a month, payable in advance. The rental charge includes gas and water. Each family unit is efficient, and quite livable.

Veterans are given preference in the assignment of these facilities.

TRAILER PARK: Space is available for privately-owned house trailers at \$14.00 a month. The charge covers water, sewerage, bath and laundry facilities, as well as ground rental. The charge does not cover electricity.

Convenient bus service is maintained by the University, on an hourly schedule when classes are in session, at no cost to the occupants of the facilities of the East State Street residential area.

It is anticipated that vacancies will exist in these accommodations. A limited number of the apartments are usually available through sub-leasing to married students during the summer session.

For information concerning quarters for married students, write to the Director of Housing, Ohio University, Athens, Ohio. A request form is provided on the last page of this bulletin.

CULTURAL-RECREATIONAL ACTIVITIES AND FACILITIES

SOCIAL POLICY

The students, faculty, and administrative officers of the Ohio University and the community of Athens are united in their interest in maintaining a moral tone and a social pattern that is in keeping with good taste and acceptable social practice anywhere among educated people.

THE UNIVERSITY CENTER

The University Center provides facilities for the cultural, social, and recreational needs of students. The building contains three beautiful lounges, a large ballroom, dining rooms, cafeteria, snack bar, library and record listening room, television, conference rooms, and recreational areas for bowling, billiards, table tennis, and cards.

UNIVERSITY CONVOCATIONS

Four or five general university convocations are held during the regular summer session. Speakers on current topics, concert artists, and other attractions are scheduled.

SUMMER THEATRE PRODUCTIONS

The Ohio Valley Summer Theatre, a joint project of Ohio University and the community of Athens, will present its ninth season of plays. Students enrolled in the Summer Theatre Workshop form the nucleus of the acting company and the plays are produced and directed by members of the staff of the School of Dramatic Art and Speech. Summer Session students are welcome to attend the series of plays.

GENERAL RECREATION AND ENTERTAINMENT

Among other recreational facilities is the University's Natatorium, its nine-hole golf course which is adjacent to the campus, and its tennis and handball courts.

Students enrolled in the Summer Music Clinic-Workshop will present a series of three concerts. The dates are June 20, 21, and 27.

Another series of concerts will be presented by the Ohio University Summer Concert Band.

Concerts in the latter series will be presented on Thursdays, July 9, 16, 23, and 30, and on August 6 and 13. Popular concert favorites will be programmed. Guest conductors and soloists attending the 1959 Summer Session will be invited to participate in these programs.

The concerts are held "Under the Elms" at a twilight hour for the enjoyment of the student body and the people of Athens and the surrounding communities.

Under the sponsorship of the Men's Independent Association, feature motion picture productions are shown in Alumni Memorial Auditorium.

Not many miles distant from Athens, and suitable as weekend diversions, are the attractions of four of the state's most scenic areas—Dow Lake, a new lake just east of Athens, within a 2000 acre state park area, which is used by the University for educational and research projects; Lake Hope, in the heart of the Zaleski State Forest; the caves and gorges of the Hocking Park Area; and Burr Oak Lake, near Glouster.

ADMISSION AND REGISTRATION

ADMISSION

All correspondence pertaining to the admission of a student to the University should be addressed to the Director of Admissions and University Examiner, Ohio University, Athens, Ohio.

Students are accepted for admission to the University at the beginning of each of the five-week summer terms on the same basis as at the beginning of each of the semesters of the regular year.

Application for admission consists of the presentation of an application blank filled in by the applicant (to obtain application blank, use the form on the last page of this bulletin), official transcripts of all high school or college credit, two small photographs of the applicant, a vaccination blank certified by a physician, and a medical history blank filled in by the applicant and completed by a physician.

A student who has attended another college or university and who plans to come to Ohio University for the Summer Session *only*, is not required to provide transcripts of previous college credit, but he must furnish a statement from the school last attended that he is a student in good standing.

A student attending for the Summer Session *only* is not required to provide the medical report and vaccination certificate *unless he wishes his credits to apply on an Ohio University degree program*.

Application for admission to the University does not constitute an application for University housing. For information concerning application for living quarters, see "Living Arrangements."

APPLICANTS FROM OHIO. All residents of Ohio who are graduates of approved high schools are eligible for admission to the University. An applicant, however, who ranks in the lower half of his graduating class and, in addition, has a low expectancy of success in college will be admitted *on special warning*. This status for the low-in-class graduate will be determined on the basis of freshman test scores, pattern of high school subjects, and high school recommendations. The tests must be taken at an authorized time prior to the opening of the Summer Session.

Ohio University recognizes the General Education Development Tests and will admit a veteran on the basis of satisfactory scores achieved on these tests. However, the applicant may be accepted only for the two-year program if his test scores are low.

Any applicant, a resident of Ohio, who has attended another university or college and who desires to transfer to Ohio University is considered for admission if he has a point-hour ratio of 2.0 (C) on the basis of all hours attempted, and if he is eligible for good standing at Ohio University.

APPLICANTS FROM OUT OF THE STATE. An application from an out-of-state student is considered if the applicant ranks in the upper half of his graduating class in an approved high school.

A veteran who ranks above the 50 centile on the General Educational Development Tests (High School Level) may be considered for admission.

A transfer student from out of the state who makes application for admission to any college of the University is considered for admission if he

has a point-hour ratio of 2.0 (C) on the Ohio University grade-point system on all hours attempted in all of his previous college work, and if he is eligible for good standing at Ohio University.

SPECIAL STUDENTS. A person who has completed a minimum of 15 units of high school work and is not working toward a degree or diploma at Ohio University, or a mature person (ordinarily 21 years of age or over) not working toward a degree or diploma, may be accepted as a *Special Student*. Such a person must file an application for admission to the University and clear through the Admissions Office. He is permitted to carry a full class load and may take any course for which he may be qualified.

A student who is attending another university may be admitted for the summer session as a special transient student by presenting a statement of good standing from the university in which he is enrolled.

Admission for the Summer Session only as a special student does not constitute admission to the regular academic year.

G. I. BILL TRAINEES

Veterans entering Ohio University for the first time should report to the Veterans Office, Room 9A, Ewing Hall, for information concerning their educational benefits. Following enrollment, the portion of the registration card marked *Coordinator* must be presented to the Coordinator of Veterans Affairs before enrollment under the *G.I. Bill* is complete.

Public Law 550 veterans (Korean G.I. Bill) should bring with them a copy of their Certificate for Education and Training (Form 7-1993) issued by the Veterans Administration. Public Law 894 (Disabled Korean G.I. Bill) veterans must be approved by the Training Officer who will be in the Veterans Office on registration day. Public Law 634 students (veteran's orphans) should also report to the Veterans Office as soon as possible after arrival on campus.

Veterans who carry non-credit toward degree courses as part of their load may expect to receive only partial benefits.

REGISTRATION

Details concerning the registration procedure are given in the Schedule of Classes which may be obtained from the Registrar. A fee of three dollars is charged for late registration, with the addition of one dollar for each day late. Students who register late pay registration fees on the day they register, and are subject to the late registration fee.

A permit to register must be obtained from the Registrar several weeks prior to registration. A new student receives his permit to register by mail with other admission material.

The days for advising and registration are indicated in the calendar. The hour and place for advising and registration will be indicated on the permit to register.

ACADEMIC LOAD. The normal academic load for a five-week term is six semester hours.

CREDIT. All credit is designated in semester hours. The credit hours applicable to any given course taken in a five-week summer term are the same as for a full semester.

AUDITING PRIVILEGE. At the time he is advised a student may receive permission to audit courses as part of his load. The courses must be marked "Audit" on the schedule and registration cards. The fee for auditing is the same as for credit.

REGISTRATION AND OTHER FEES

Fees are payable at time of registration

EACH FIVE-WEEK TERM	Resident of Ohio	Non- Resident
Comprehensive fee for load of 4 to 6 semester hours, inclusive -----	\$50.00	\$105.00
Includes the general registration fee, the student activity fee, student service fees such as health, library, and testing, and course and laboratory fees. Excludes fees for private instruction, as in music and bowling, which are listed in the course description.		
Extra fee for each semester hour in excess of 6 ---	12.00	25.00
Comprehensive fee for each semester hour for load of 1 to 3 hours inclusive, for entire term or for any portion of the term, including workshops and special classes) -----	12.00	25.00
Auditors pay fees in full as above.		

MATRICULATION FEE. This \$10.00 fee is paid upon first registration in the University as a classified student. A student who transfers elsewhere and returns, pays the fee again upon readmission (one who attends another college as a transient student does not pay). A student who is dropped pays the fee again when he is reinstated.

INCIDENTAL FEE FOR GRADUATE ASSISTANTS, \$10.00.

REFUND OF FEES. Voluntary and official withdrawal from the University during either term entitles the student to a refund of 75% of the comprehensive fee through Monday of the second week. There is no refund after this date.

FINANCIAL AIDS

Ohio University attempts to assist students in furthering their education on the college level by providing three types of financial aid: scholarships, and part-time employment.

Students who are eligible for a scholarship at Ohio University for the fall semester, may start their scholarship early to include summer school.

Upperclassmen on Ohio University awards may be continued through the summer sessions providing they are eligible and if they so desire.

Board jobs and part-time employment are available for summer school students.

Persons desiring information concerning any of these types of aid or who submit applications for them should direct their communications to the Director of Student Financial Aids, Ohio University, Athens, Ohio.

GRADUATION REQUIREMENTS

UNIVERSITY CATALOG. For complete details concerning university regulations and requirements, see the General Catalog of the University.

PROFICIENCY IN ENGLISH. As a condition of graduation from Ohio University, every student must demonstrate his ability to write clear and correct English. Students who fail to make a grade of A or B in English 4 or in English 293 take the Proficiency Test. Those who fail the Test report to the Writing Clinic. See the schedule of classes.

PHYSICAL EDUCATION. Men students have a flexible requirement. The normal requirement of two semesters may be reduced by passing physical proficiency and sports tests which are offered at pre-registration periods and near the close of each summer term.

Women students are required to complete two semesters of physical Education courses.

Exemption from the physical education requirement is made automatically by the Registrar for a graduate student, for a student who is 30 years of age or over, or for a veteran who is 25 years of age or over, provided he has completed the requirement up to and including the semester in which he attained the required age.

RESIDENCE. In general the minimum residence requirement for a baccalaureate degree is two semesters or the equivalent in summer sessions which should total not fewer than 25 weeks with the completion of a minimum of 30 semester hours. If the minimum requirement is met, the 25 weeks must constitute final residence.

FINAL EXAMINATIONS. All students are required to take final examinations in order to receive credit. Final examinations are held during the last week of each term.

APPLICATION FOR GRADUATION. A candidate for graduation must make application for graduation in the Registrar's Office not later than the dates given in the University Calendar. The application fee for a degree is \$10; for the Associate in Arts diploma, \$5. Application for graduation made after the time designated adds \$5.

TIME LIMIT. The time limit for fulfilling the published requirements for a degree is five years from the date of first registration in the University. Requirements instituted subsequent to the student's initial registration are applicable at the discretion of the University.

The following additional regulations apply:

1. A student who is advanced to a degree college at the end of his first year, and who does not change his major or equivalent, fulfills the requirements in effect at the time he first registered in the University.

2. A student who is retained in the University College for more than one year fulfills the requirements in effect at the time he enters the degree college. If he changes his major or equivalent he fulfills the requirements in effect at the time he makes the change.

A transfer student is governed by the same regulations, except that the number of years in which to complete the degree requirements is reduced by the number of years of transferred work.

If a student begins graduate study before he completes all requirements for a bachelor's degree, residence for the bachelor's degree will be reduced by as many weeks as credit hours of graduate work completed. The number of weeks subtracted will be credited toward the residence requirement for a master's degree if this credit is acceptable in the program approved for graduate work toward a degree. Residence used for meeting requirements for one or more bachelor's degrees may not be used for meeting the residence requirements for a master's degree.

MINIMUM STANDARD FOR GRADUATION. To meet the minimum standard for graduation from Ohio University, a student must have a point-hour ratio of 2.0 (C) on all hours attempted, but including only the final hours and points in repeated courses. This applies to his total record, and to his major or equivalent as determined by his college. For a student with transferred credit, this rule applies to both his cumulative record, which includes transferred credits, and to his Ohio University record exclusive of transferred credits.

A student who fails to graduate because of a grade point deficiency may take, with approval of his dean, up to a maximum of 6 semester hours of work in correspondence, extension, or branches of Ohio University to make up his deficiency. Work may not be taken at another college to make up this deficiency.

SUMMER SESSION COMMENCEMENT. Degrees and diplomas are awarded at formal graduation exercises at the end of the second five-week term. Attendance at graduation exercises is required, except for students who have been given permission to graduate *in absentia*, or who are excused.

COURSES OF INSTRUCTION

Classes in the Summer Session are held five days a week, Monday to Friday, inclusive. Class periods are 90 minutes in length, with ten-minute intervals between. The schedule begins at 7:00 and continues with classes at 8:40, 10:20, 12:00, 1:40 and 3:20.

Normally, a class carrying three semester hours of credit meets daily, Monday through Friday, for 90 minutes; a class carrying two hours of credit meets daily, Monday through Friday, for 60 minutes; and a class carrying one hour of credit, on Tuesday and Thursday, for 90 minutes.

In the list of offerings a typical title line contains the following information: (1) course number, (2) course title, (3) semester hours of credit, (4) hour(s) and days of the week on which the class meets, and (5) the instructor. When the abbreviation, "Arr.," is used it means that the time of meeting is arranged in a conference between instructor and student.

In a course carrying variable credit the credit may be expressed thus, (1 to 4), indicating that one hour is the minimum and four hours the maximum amount of credit allowed for the course in one summer term.

The catalog number indicates the student classification for which the course is designed. The numbers are grouped as follows: 1 to 99, for freshmen; 100 to 199, for undergraduates above freshman level; 200 to 299, for advanced undergraduates; 300 to 399, for advanced undergraduates and graduates; and 400 to 499 for graduates.

A Schedule of Classes giving, in addition to the information below, the meeting places of classes may be obtained from the Registrar.

NOTE

Unless otherwise indicated, courses meet each day, Monday through Friday, at the hours shown.

Some 4 and 5 hour courses will continue for both summer terms (10 weeks). This is indicated following the course title.

The fundamental similarities and differences among plants and animals; their protoplasm, cells, tissues, and organs; their physiological processes; and their reproduction, growth, and development. Not open to juniors or seniors.

(SECOND TERM)

2. **Biology—THE LIVING WORLD** 3 12:00, 1:40 Vermillion
Studies of representatives of the principal groups of plants and animals from the standpoint of structure, life history, and classification. The fundamental principles of heredity, evolution, ecology, and geographical distribution of organisms are set forth. This course is not designed for botany or zoology majors; but if it is taken, a maximum of three hours' credit may be allowed toward such a major, at the discretion of the department concerned. No credit allowed for this course for students who have completed Bot. 3-4 or Zool. 3-4. Prereq., 1. Not open to juniors and seniors.

PHYSICAL SCIENCE

3. **Physical Science—THE PHYSICAL WORLD** 3 12:00 Shipman
Lab. 1:40-3:40 MWF
A general physical science course designed for non-science majors. Emphasis is placed on basic scientific laws and principles and the solution of related problems without use of formal mathematics. Laboratory experiments are designed to help in the understanding of the various areas studied. Includes an introduction to astronomy, meteorology, and topography. Does not fulfill physics requirements for science majors. Not open to juniors and seniors.

GEOGRAPHY AND GEOLOGY

(FIRST TERM)

GEOGRAPHY

150. **GEOGRAPHY AND ENVIRONMENT** 3 8:40 Lehrer
A survey of man's response and adjustment to the varied natural environment throughout the world employing the concepts of human geography. Not open to students who have had Geog. 3 or 4.
202. **GEOGRAPHY OF THE UNITED STATES AND CANADA** 3 10:20 Lehrer
A systematic and regional study of the U. S. and Canada: the physical environment, natural resources, agriculture, and cultural development.
382. **GEOGRAPHICAL STUDIES** 1 to 4 in any of the following. Arr. The Staff
Supervised studies in fundamentals of geographic research, Maximum credit in any one area, 8 hrs. Prereq., 12 hrs. and permission.
- a. Cartography.
 - b. Conservation of Natural Resources.
 - c. Economic Geography.
 - d. Meteorology and Climatology.
 - e. Physiography.
 - f. Political Geography.
 - g. Regional Geography.

(SECOND TERM)

GEOGRAPHY

232. **CONSERVATION OF NATURAL RESOURCES** 3 8:40 Sturgeon
Problems in the conservation of soils, water, minerals, forests and wild life as related to land use. The interrelations of these various factors and their educational significance are emphasized. Field trips.

GEOLOGY

- 102s. **COMMON MINERALS, ROCKS, AND FOSSILS** 3 10:20, plus 90 minute period arranged. Sturgeon
Introduction to study and identification of common minerals and rocks and common groups of fossils, including assembly of a basic collection useful to teachers. Not open to students who have had Geology 1, 2, 101, or 103. Field trips.
383. **GEOLOGICAL STUDIES** 1 to 4 in any of the following Arr. The Staff
Supervised studies in fundamentals of geologic research. Maximum credit in any one area, 8 hrs. Prereq., 12 hrs. and permission.
- a. Glacial Geology and Physiography.
 - b. Mineralogy, Petrology, or Economic Geology.
 - c. Paleontology.
 - d. Sedimentation and Stratigraphy.
 - e. Structural Geology.

GERMAN

(FIRST TERM)

1. **BEGINNING GERMAN** 4 8:40 MTWThF, 1:40 TTh Krauss
Instruction in the fundamental grammatical principles, drill in pronunciation, conversation, and the reading of prose.
371. **ADVANCED GERMAN** 1 Arranged Kauss
Reading and research in German language and literature for advanced students. Maximum credit in course, 8 hrs. Prereq., 6 hrs. beyond 102.

(SECOND TERM)

2. **BEGINNING GERMAN** 4 8:40 MTWThF, 1:40TTh K. Johnson
A continuation of 1. See description under 1, first term. Prereq., 1.

Prereq., 18 hrs. in journalism and advertising, and permission.
495. **THESIS** 1 to 6 Arr. The Staff
Prereq., permission.

LIBRARY SCIENCE

(FIRST TERM)

192. **CLASSIFICATION AND CATALOGING OF BOOKS** 3 7:00 Devlin
Training in classifying and cataloging books, with practice in the preparation of a card catalog for a high school library. Required for a minor in library science.

MANAGEMENT

(FIRST TERM ONLY)

211. **INDUSTRIAL MANAGEMENT** 3 8:40 Spivey
An examination of the basic fundamentals of management underlying the solution of problems of organization and operation in all business enterprise, followed by their application to such specific fields of industrial management as materials, personnel, production, budgets, labor relations, etc. Prereq., Ec. 12 or 102, junior rank, or permission.
312. **ADMINISTRATION OF PERSONNEL** 3 10:20 Spivey
A comprehensive survey in the principles of management of people in business organizations and institutions. Among the subjects treated are employee selection, training, and rating; labor turnover; job analysis; wage and salary administration. Prereq., 211, or permission.
381. **RESEARCH IN MANAGEMENT** 1 to 3 Arr. The Staff
Special studies in industrial organization and scientific management. Prereq., 16 hrs. economics and/or commerce including Mgt. 301 or 312, and permission.
495. **THESIS** 1 to 6 Arr. The Staff
Prereq., permission.

MARKETING

(FIRST TERM ONLY)

155. **MARKETING PRINCIPLES** 3 1:40 R. Raymond
The principles, methods, and policies of marketing consumers' goods and industrial goods. Prereq., Ec. 12 or 102.
301. **RETAIL SELLING POLICIES** 3 10:20 R. Raymond
The organization and operation of retail institutions. Prereq., 155.
381. **RESEARCH IN MARKETING** 1 to 3 Arr. The Staff
Research methods, market data, and methods of conducting market surveys. Prereq., 18 hrs. commerce, including 5 hrs. marketing and permission.
495. **THESIS** 1 to 6 Arr. The Staff
Prereq., permission.

MATHEMATICS

(FIRST TERM AND TEN-WEEK COURSES)

1. **ELEMENTARY ALGEBRA** 3 1:40 Diekhans
A beginning course for students with no high school algebra. No credit toward degree.
2. **PLANE GEOMETRY** 3 1:40 Hood
A course for students with no high school geometry. Prereq., 1, or 1 yr. high school algebra. No credit toward degree.
3. **INTERMEDIATE ALGEBRA** 3 1:40 Spring
Review of high school algebra and some simple topics from college algebra. Prereq., 2, or 1 yr. each in algebra and geometry in high school.
5. **FRESHMAN MATHEMATICS (ten-week course)** 5 12:00 (1st term) Jasper
12:00 MWF (2nd term) Golos
College Algebra and plane trigonometry. Prereq., 2, or 1 yr. each in algebra and plane geometry in high school.
6. **ANALYTIC GEOMETRY AND CALCULUS I (ten-week course)** 5 12:00 MTThF (1st term) Diekhans
(2nd term) Lackner
Topics in analytic geometry, functions and limits, differentiation and integration of algebraic forms, application of derivatives, integration as a summation process. Prereq., 5.
101. **ANALYTIC GEOMETRY AND CALCULUS II (ten-week course)** 4 8:40 MWF (1st term) The Staff
(2nd term) Butner
Conics, differentiation and integration of transcendental functions, polar coordinates, parametric equations, curvature, integration, indeterminate forms. Prereq., 6.
102. **ANALYTIC GEOMETRY AND CALCULUS III (ten-week course)** 4 8:40 MWF (1st term) Spring
8:40 TTh (2nd term) Golos
Solid analytic geometry, series, expansion of functions, partial derivatives, multiple integrals, elementary differential equations. Prereq., 101.
304. **ADVANCED CALCULUS** 3 8:40 Hood
Critical treatment of certain topics in calculus. Limits, continuity, differentiation of functions of one and several variables, series, and definite and multiple integrals, line integrals. Prereq., 102.
315. **ADVANCED APPLIED MATHEMATICS I** 3 10:20 The Staff
An introductory treatment of elementary and series solutions of differential equations, partial differential equations and boundary value problems, Fourier Series. Prereq., 102.
340. **STUDIES IN MATHEMATICS** 1 to 6 Arr. The Staff
Selected topics in mathematics are studied under the guidance of an instructor particularly interested in the field. Prereq., 18 hrs. and permission.
495. **THESIS** 1 to 6 Arr. The Staff
Prereq., permission.

(SECOND TERM)

2. **PLANE GEOMETRY (2 Sections)** 3 8:40 Lackner
1:40 Golos
A course for students with no high school geometry. Prereq., 1, or 1 yr. high school algebra. No credit toward degree.
34. **MATHEMATICS OF FINANCE** 3 1:40 MWF Marquis
A study of interest, annuities, sinking funds, valuation of bonds, capitalized cost, life insurance, and life annuities. Prereq., 2, or 1 yr. each in algebra and plane geometry in high school.

207. **APPLIED STATISTICS** 3 10:20 Butner
A course for beginners in statistics, covering the same topics as 107, and including a brief introduction to quality control. Not open to students with 107. Prereq., 101.
316. **ADVANCED APPLIED MATHEMATICS II** 3 10:20 Marquis
An introductory treatment of matrices, vector analysis, complex variables, and Laplace Transforms. Prereq., 315.
340. **STUDIES IN MATHEMATICS** 1 to 6 Arr. The Staff
Prereq., permission. For description see 340, first term.
495. **THESIS** 1 to 6 Arr. The Staff
Prereq., permission.

MUSIC

(FIRST TERM)

72. **MUSIC FUNDAMENTALS** 2 8:40-9:40 Sears
A course for elementary teachers only involving theory, ear training, tone production, and sight singing of unison and part songs.
201. **ANALYSIS AND FORM** 2 Arr. Ahrendt
Harmonic and structural analysis of music composition. Prereq., 106.
273. **CONDUCTING** 2 1:40-2:40 Ingerham
Fundamentals of conducting, accompanied by individual practice in conducting. For music majors only; open to others by permission. Prereq., 104, 106, permission.
313. **ORCHESTRATION** 2 Arr. Ahrendt
Scoring for small, medium, and full orchestra. Prereq., 104, 106.
338. **THE LITERATURE OF ORCHESTRAL MUSIC** 2 7:00-8:00 Ingerham
Orchestral literature from the classic through the contemporary. Prereq., F.A. 124.
- 376a. **MUSIC CLINIC—WORKSHOP** 2 Arr. The Staff
(June 14-27) Prereq., Sr. or Grad. majors.
384. **RESEARCH IN MUSIC** 1 or 2 Arr. Sears
Prereq., 30 hrs. or the equivalent, permission.
402. **MUSIC LITERATURE** 3 1:40 Bergsagel
Prereq., 401.
403. **SEMINAR IN MUSIC** 1 8:00 p.m. MTh Bergsagel
Reports on research by students or faculty, for discussion. Required of all graduate students enrolled in School of Music. Maximum credit, 2 hrs. Prereq., permission.
472. **PROBLEMS IN THE SUPERVISION OF INSTRUMENTAL MUSIC** 3 10:20 Minelli
Prereq., 261, 263, 2 hrs. observation, and 4 hrs. student teaching.
473. **EXPERIMENTAL STUDIES IN MUSIC** 3 12:00 Sears
Important psychological investigations bearing upon musical composition, performance and appreciation. Prereq., permission.
495. **THESIS** 1 to 4 Arr. The Staff
Prereq., permission.

APPLIED MUSIC
